SecureBack Case & Lock for iPad® 4th gen, 3rd gen & iPad 2

K67751AM

Product Description

Protect your iPad with the Kensington SecureBack™ Security Case and Lock. The built-in ClickSafe® Security Anchor point not only adds important security, it even amplifies the iPad speaker for greater volume. The case wraps your iPad in a protective layer that guards against bumps and scratches while maintaining the slim iPad design. And the detachable Smart Cover (sold separately) has two built-in viewing angles.

Features

- Case protects back and sides from bumps and scratches
- Secures in one-click with ClickSafe Lock
- ClickSafe Lock is designed to be the easiest to use lock available
- Use with your existing Apple Smart Cover for screen protection and typing and viewing angles
- ClickSafe Lock anchors on same side as connector for improved cable management
- Built-in sound deflector increases volume from iPad speakers
- Maintains slim design while adding security and protection
- Apple Smart Cover sold separately
- Patent-pending locking system
